

PARISH HISTORY PHOTOGRAPHS AND DOCUMENTS

A special request is being made to all parishioners, past and present, whom may have old photographs, documents or other items of pictorial interest that can be added to the Official History of St. Mary's Parish Seymour which is nearing its completion. The draft history of the parish will be given to Seymour historian Mr. John Jennings who will correlate the book towards the end of 2008. All papers, documents and photographs will be well taken care of and returned to the owners once reproduced and copied.

Please contact Monsignor Toms or Mr. Bernie Gray at the presbytery office on (03) 5792 1064.
